PACKING TIPS

1. "You can bring your own **autograph book**, make one, be creative! We brought a picture mat border for a 5x7 picture. We had the characters sign around the mat and when we got home we put our picture with Mickey in it and framed it. Looks great and very personal. Try different colored markers to make the autographs stand out."—TripAdvisor Member, Nanuet, N.Y.
2. Don't forget your **golf clubs!** "Orlando is one of the top cities in the world of golf. Home to several PGA Championships, home to the annual PGA Merchandise Show, and even home to Tiger Woods. There are many excellent golf courses all over Orlando, from regular community courses to world famous PGA championship courses and luxurious clubs."—TripAdvisor Member, Orlando
3. The Florida sun is strong even in the winter. "Yes, Yes, Yes—you need **sunscreen**. Most people who LIVE in Florida won't set foot out of the house without at least SPF25. Does that tell you anything?"—TripAdvisor Member, Florida

Inside ORLANDO

The American epicenter of family fun, Orlando welcomes 50 million visitors annually and is home to three major theme parks—Walt Disney World®, Universal Orlando® Resort and SeaWorld.

Here there's a unique experience for everyone. From character dining to VIP tours to golf on championship links, a trip to Orlando will earn you vacation memories as well as bragging rights back home.

Located in the center of the state, four hours north of Miami, Orlando was once a sweeping stretch of farmland. Where orange groves and cow fields once lay, shopping malls and theme parks have been paved. Since 1982, when Walt Disney World's® first additional theme park (Epcot®) was introduced, Orlando has been an ever-changing, ever-growing, tourism-centered town.

Orlando is a year-round destination. For most of the year, days are mainly hot and humid. Winter is drier and cooler, while the scorching summer heat is often relieved with afternoon showers.
