## Inside RIO DE JANEIRO

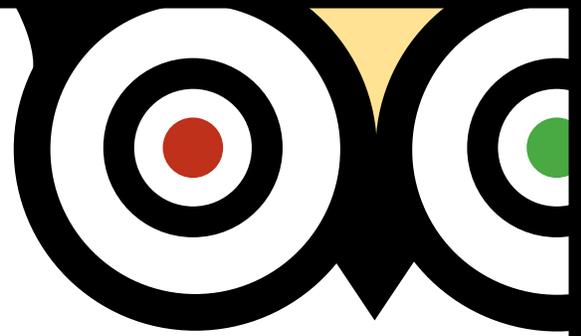

The names synonymous with Rio de Janeiro glide off the tongue, filled with sizzle and spice: Ipanema, Copacabana, Carnaval. From its bustling beaches to the outrageous February festival, this is a city that knows how to entertain, day or night.

Travel through Tijuca National Park to the iconic statue of Christ the Redeemer at the peak of Corcovado Mountain. Take the cable car to the top of Sugar Loaf for another breathtaking view. Explore Brazilian history with tours of the Municipal Theatre, Praca Quinze and the former presidential residence, Catete Palace. Celebrate the city's love of sport with hang gliding, surfing or a game at Maracana Soccer Stadium. Or just chill with a caipirinha on the sand.

Sun and heat are the rule in tropical Rio. The summer lasts from November to March and brings very hot, humid weather.

Safety is a concern, as in any major city, but don't let fear prevent a South America sojourn. Dress casually, don't carry much cash and focus instead on the wonderful riches that Rio has in store.
