PACKING TIPS

1. If the Georgia Aquarium is on the itinerary, "purchase **tickets online** for the specific date and time you want. Otherwise, you run the risk of tickets selling out."—TripAdvisor Member, Atlanta
2. "Get ready to get lost. There's no logical grid system or simple numbering of streets. Get a **good visitor map** and depend on Southern hospitality and long-winded directions" to find your way.—TripAdvisor Member, Atlanta
3. Get in the spirit: Read Margaret Mitchell's Southern opus ***Gone With the Wind*** en route.

Inside ATLANTA

Sometimes called "the capital of the new South," Atlanta combines a cosmopolitan air with a commitment to its past. Hip nightlife spots and upscale eateries attract young upwardly mobile professionals, while history buffs flock to the inspirational Martin Luther King Jr. National Historic Site or the home of *Gone With the Wind* author Margaret Mitchell.

There's no sign of Tara, but there is the gargantuan Georgia Aquarium, home to beluga whales and four whale sharks, the largest fish species in the sea. Visitors with a penchant for the great outdoors will find tranquility at the Atlanta Botanical Garden or sprawling Piedmont Park. News junkies can take a studio tour for a peek behind the scenes at CNN.

Whether seeking Southern charm and a plate of good old-fashioned grits or a weekend escape filled with urban arts and cultural offerings, Atlanta will not disappoint.

Atlanta's climate brings generally mild winters, with colder temperatures but rare snow. Spring is delightful but unpredictable, with rainstorms always a possibility.
